PROJECT / CAPSTONE

Live O2C simulation with Jira sprints, client demo and documented resolution for an injected pricing/credit-block issue.

LEARNING OUTCOMES

- Execute the O2C lifecycle.
- Work with sales master data.
- Understand integration.
- Approach functional issues systematically.
- Demonstrate an end-to-end process.

POTENTIAL CAREER PATHS

SAP SD Consultant • SAP Functional Consultant • Sales / Order-management SAP roles

THE 42X DIFFERENCE

Combines SD functional process knowledge with embedded debugging and BASIS awareness.
